

## Getting Answers to Your Questions

## About BPS Kindergarten

**K2** is for children who will be 5 by September 1, 2012

**K1** is for children who will be 4 by September 1, 2012

**K0** is for children who will be 3 by September 1, 2012

**K2:** This is a full-day (6-hour) program for five-year-olds. BPS guarantees a school assignment for every child who registers for K2.

**K1:** BPS has more than 2,300 kindergarten seats for four-year-olds. However, we cannot guarantee a K1 assignment for all applicants.

**K0:** There is a very small number of seats available for children who will be three years old by September 1. Most of these seats are filled by children with special needs or by siblings of current BPS students. For a special education evaluation, contact the BPS Special Education Department at 617-635-7800.

If you apply for K0 or K1, be aware that these programs may be half-day, full-day, or full-day plus surround care. Find out if a program's hours fit your needs, and also be sure to have a back-up childcare plan, because assignment is not guaranteed. For listings of pre-schools and Head Start programs in your community, including how to get financial aid, call Child Care Choices of Boston at 617-348-6641.

### Early Education Centers (EECs) and Early Learning Centers (ELCs)

These BPS programs offer either K0 or K1 through grade 1 and provide free surround care until 4:45 pm. Seats in these schools often fill up in the first round of registration.

Each school's SPT hours are listed in this brochure. Please contact the school to let them know when you plan to visit. For more information on our schools, registration and enrollment, or getting ready for kindergarten, please contact:

## Important Tips

This guide lists all BPS elementary and K-8 schools alphabetically by zone. Your school choices include those within your school zone, those outside your zone that are located within one mile of your home, and three citywide schools. Please use one of the resources above to learn about your zone and your school options.

Plan to visit several of the schools available to you so that you can learn about your choices before you register your child for school.

Registration for Boston Public Schools kindergarten, grade 6, and grade 9 begins on January 3, 2012. Call any Family Resource Center or check our website for details on how, when, and where to register.

- ☑ Are there enrichment programs, such as music?
- ☑ Are there special education or language services?
- ☑ Are there opportunities for advanced work?
- ☑ What is the size of the school?
- ☑ What is the school's environment? What types of learning materials are on display? How do students interact with teachers?
- ☑ Where is the school located?
- ☑ What is the school's student achievement data (such as MCAS, other assessments, and attendance rates)?
- ☑ What are the school's hours?
- ☑ Does the school have before- or after-school programs? For what ages? What activities do they offer? What do they cost?

- ☑ Is there a school uniform?
- ☑ How diverse are the students?
- ☑ What is the experience of the teachers and school leaders?
